INNOVATION
GAINESVILLE

We make cool things happen.

WE ARE INNOVATION GAINESVILLE

Gainesville is the place where people are changing the world by making cool things happen. Every day, people in Gainesville are creating products that make the world a better place. Gainesville was named the Top Tech City in Florida and is a National Hub for Green and Health technologies. We are home to one of the nation's leading research universities, the University of Florida, as well as one of the nation's premier healthcare systems. Our obsession with innovation is raising the standard of living, creating jobs in our community and changing the lives of people around the world.
